Helping Businesses and Individuals Find More Success and Less Drama Through Social Skills and Modern Business Etiquette

Before a nuisance or dilemma turns into a Human Resource nightmare, let's talk.

Rosalinda Randall is a modern-day social skills and business etiquette expert based in Northern California.

Her interactive humorous straightforward presentations are filled with real-life, relatable examples. Participants walk away equipped with practical tools and tactics that can immediately be put to use. With several generations of employees in today's workforce, gender-neutrality, millennials, the prevalent *it's-not-my-fault* attitudes, and varying company cultures, building a strong and positive company image and atmosphere can be difficult for any business.

In addition to her core presentations, she covers topics like Networking, Meeting Behavior, Trade Show Manners, First Impressions, Telephone Manners, Email Etiquette, When You're New on the Job, Social Media Image, Interview Prep.

Let's Keep It Civil: Utilizing Communication and Soft Skill Techniques to Reduce Workplace Missteps and Conflicts: These new tools can help reduce drama, misunderstandings, avoid petty conflicts, handle potential or perceived harassment-type remarks, communicate differently, encourage discretion, and make everyone more likable.

Upgrading Your Business Presence with Contemporary Manners and Soft Skills – Be a leader right now, no matter where you are in your career or job: Whether you work in a fast-paced formal corporate company or an easy-going casual start-up, your demeanor and manners have an impact on those around you, especially your clients (and investors).

Millennials in the Workplace: What you think you don't need to know, but really do: Rumor has it that they lack the soft skills and business basics that are necessary to build relationships with all generations and interact graciously with clients. (Everyone is encouraged to attend; effective as a refresher course for the apathetic & seasoned employees.)

Every event, audience, time, and budget is unique; all presentations are customized to fit your needs.

Audiences: Service Professionals, New Lawyers, Sales Professionals, Anyone dealing with clients, Startup Owners and Employees, IT Professionals, New Hire Orientation, Lay-offs, New Managers, Business Dining, and a series for College and University students and athletes who represent their school.
